**ATTACHMENT TWO**  
*To Plaintiffs' Brief in Opposition to the  
Corporate Defendants'  
Motion for Sanctions*

**RE: FROST v. St. Thomas Development**

Dear Thomas:

I have reviewed the complaint in the FROST case. I think the premise of your complaint—that a corporation's actions are state actions—is sound and a reasonable interpretation and extension of existing law.

The complaint looks good to me. Please keep me updated on your progress with this litigation.

Sincerely yours,

Blair Bobier  
Attorney at Law
