Re: Valentine v. Central Intelligence Agency

Dear Doug:

By now you should have received the complete response from the CIA to your Freedom of Information request. Any issues concerning the exemptions claimed by the CIA would be litigated in a separate action after you exhaust your administrative remedies.

I have enclosed a Stipulation of Dismissal for your review and signature. I can take care of filing it with the court if you return it to me after signing. Please call me if you have any questions.

Thank you for your patience and cooperation.

Very truly yours,

DONALD K. STERN
United States Attorney
